GSC-1SDK-PRIMECOM-ART

- File: Prime Communications Application Research Technology.cert

Document Body(Revisions)

The part number corresponding to your specific development is the following: **GSC-1SDK-PRIMECOM-ART**

I also enclosed the production certificate for you to add it in your application. You will need to change the name of the certificate file before adding it to your application. For further technical instructions, please refer to the section in the .chm file (SDK Documentation) under Platform SDK -> Setup Articles -> Using Certificates.

If your end-users would like to use your specific application, they will need to order SDK connection with your specific part number. If you need a formal quotation for your customers' projects, please contact ChannelSales@genetec.com. Please let me know if you require a demo license for testing.

Kind Regards,
